CITY OF EAGLE LAKE

P.O. Box 38
Eagle Lake, Texas 77434

(979) 234-2640
Fax (979) 234-3255

April 20, 2016

To the Honorable Mayor, Members of the City Council, and Citizens
of the City of Eagle Lake, Texas

State law requires that the City of Eagle Lake publish at the close of each fiscal year a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby issue the comprehensive annual financial report of the City of Eagle Lake for the fiscal year ended September 30, 2015.

This report consists of management's representation concerning the finances of the City of Eagle Lake. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in this report.

Management of the City of Eagle Lake has established a comprehensive internal control framework that is designed to compile sufficient reliable information for the preparation of the City of Eagle Lake's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City of Eagle Lake's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatements.

The City of Eagle Lake's financial statements have been audited by Trlicek & Co., P.C., Certified Public Accountants. The independent auditor has issued an unqualified ("clean") opinion on the City of Eagle Lake's financial statements for the fiscal year ended September 30, 2015. The independent auditor's report is presented as the first component of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management Discussion and Analysis. This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The City of Eagle Lake's MD&A can be found immediately following the independent auditor's report.

Profile of the City

The City of Eagle Lake, incorporated in 1888, is located in the southeastern part of the state. The City currently has a land area of 2.65 square miles and a population of 3,664. The City is empowered to levy a property tax on both real and personal property located within its boundaries. The City has operated under the council-manager form of government since 1952.

Policy making and legislative authority are vested in the City Council, which consists of a mayor and five council members. The council is elected at large on a non-partisan basis to two-year staggered terms. The City Council is responsible, among other things, for passing ordinances, adopting the budget, appointing committees and hiring the City's manager. The city manager is responsible for carrying out the policies and the ordinances of the City Council, for overseeing the day-to-day operations of the City, and, with the advice of the City Council, appointing and removing all department heads.

The annual budget serves as the foundation for the City of Eagle Lake's financial planning and control. The budget is prepared by fund, function, and department. The city manager is authorized to transfer budgeted amounts between departments within any fund, however, any revisions that alter the total expenditures of any fund must be approved by the City Council.

Local economy

The City's region has an economic base that includes agriculture/agribusiness (mostly rice), gravel mining, materials transporting, retail and wholesale trade, and selected services. Local indicators point to continued economic stability. The region (which includes the City, two other incorporated cities and the unincorporated area within the county) has an unemployment rate of 4.2% compared to the state's average rate of 4.5% and the national average of 5.1%. The region has an employed labor force of approximately 10,039.

Long-term financing

The City currently has one outstanding certificate of obligation issue:

During fiscal year ended September 30, 2012, the City issued \$2,005,000 Limited Tax Refunding Bonds, Series 2012 for the refunding of the Series 1993, 1997 and 2003 Certificates of Obligation Bonds. The refunding was undertaken to reduce total future debt service payments. The transaction resulted in a reduction of \$190,987 in future debt service payments. The bonds have an interest rate of 2.17% and maturity of March 1, 2023. Interest is payable semiannually on March 1 and September 1. The outstanding balance at September 30, 2015 was \$1,465,000.

Acknowledgements

All members of the administration are to be commended for their contribution to the preparation of this report.

Respectfully submitted,

A handwritten signature in black ink, reading "Lina Ferguson". The script is cursive and fluid, with the first letters of each word being capitalized and prominent.

INDEPENDENT AUDITOR'S REPORT

To the City Council
City of Eagle Lake, Texas

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Eagle Lake, Texas as of and for the year ended September 30, 2015, which collectively comprise the City's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Eagle Lake, Texas as of September 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Change in Accounting Principle

As described in Note A to the financial statements, in 2015, the City of Eagle Lake adopted new accounting guidance, Government Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions, and GASB Statement No. 71, Pension Transition for contributions made Subsequent to the Measurement Date—an amendment of GASB Statement No. 68. Our opinion is not modified with respect to this matter.

Other-Matters

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 9 through 16 and 45 through 47 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Eagle Lake Texas's financial statements as a whole. The introductory section, combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements. The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 20, 2016 on our consideration of the City of Eagle Lake's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City of Eagle Lake's internal control over financial reporting and compliance.

Respectfully submitted,

Trlicek & Co., P.C.

**CITY OF EAGLE LAKE, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2015**

As management of the City of Eagle Lake, we offer readers of the City of Eagle Lake's financial statements this narrative overview and analysis of the financial activities of the City of Eagle Lake for the fiscal year ended September 30, 2015. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal, which can be found on pages 1-3 of this report.

Financial Highlights

- The assets of the City of Eagle Lake exceeded its liabilities at the close of the most recent fiscal year by \$7,384,906 (net position). Of this amount, \$2,427,944 (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- The government's total net position decreased by \$175,427. Net position of governmental activities decreased \$27,898 while business-type activities decreased \$147,529. These changes are discussed further on the following pages.
- As of the close of the current fiscal year, the City of Eagle Lake's governmental funds reported combined ending fund balances of \$974,589, an increase of \$75,530 in comparison with the prior year. Approximately 88% of this total amount, \$859,859, is available for spending at the City's discretion (unreserved fund balance).
- At the end of the current fiscal year, unreserved fund balance for the general fund was \$478,056 or 31% of total general fund expenditures.
- The City of Eagle Lake's total debt decreased by \$222,728 (13%) during the current fiscal year. Principal payments of \$226,154 were made. The remaining increase of \$3,426 is the increase in compensated absences payable.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City of Eagle Lake's basic financial statements. The City of Eagle Lake's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City of Eagle Lake's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City of Eagle Lake's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Eagle Lake is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City of Eagle Lake that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City of Eagle Lake include general government, public safety (police and fire), streets and drainage, economic development, airport and parks and recreation. The business-type activities of the City of Eagle Lake include utility services of water, sewer and garbage.

The government-wide financial statements include only the City of Eagle Lake. The City of Eagle Lake has no component units.

The government-wide financial statements can be found on pages 17 and 18 of this report.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Eagle Lake, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental financial statements focus on *near-term inflow and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City of Eagle Lake maintains six individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, contingency special revenue fund, debt service fund and a capital project fund, each of which are considered to be major funds. Data from the other two governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements* elsewhere in this report.

The basic governmental fund financial statements can be found on pages 19 and 21 of this report.

Proprietary funds. The City of Eagle Lake maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City of Eagle Lake uses enterprise funds to account for its utility services of water, sewer and garbage and a dormant gas service activity.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for both the aforementioned utility services. The Utility fund is considered to be a major fund of the City of Eagle Lake.

The basic proprietary fund financial statements can be found on pages 23-27 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 28-44 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information (RSI)* concerning the City of Eagle Lake's progress in funding its obligation to provide pension benefits to its employees. Schedules comparing actual results with the original budget and the final amended budget for the City's General Fund and its Contingency Special Revenue Fund (a major fund) are also presented in the RSI section. RSI can be found on pages 45-50 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary. Combining and individual fund statements and schedules can be found on pages 51-56 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the City of Eagle Lake's case, assets exceeded liabilities by \$7,384,906 at the close of the most recent fiscal year.

As shown in Table 1, by far the largest portion of the City of Eagle Lake's net position (63%) reflects its investment in capital assets (e.g., land, buildings, improvements, machinery and equipment and vehicles), less any related debt used to acquire those assets that is still outstanding. The City of Eagle Lake uses these capital assets to provide services to citizens; consequently, those assets are *not* available for future spending.

Although the City of Eagle Lake's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets cannot be used to liquidate these liabilities.

Condensed Statement of Net Position
September 30, 2015

Table 1

	Governmental activities		Business-type activities		Total	
ASSETS	2015	2014	2015	2014	2015	2014

Total liabilities	<u>1,557,798</u>	<u>1,763,785</u>	<u>157,594</u>	<u>163,727</u>	<u>1,715,392</u>	<u>1,927,512</u>
NET POSITION						
Net Investment in						
Capital Assets	1,697,262	1,538,343	2,975,672	3,143,081	4,672,934	4,681,424
Restricted	114,730	103,783	169,298	169,130	284,028	272,913
Unrestricted	1,097,127	940,550	1,330,817	1,311,105	2,427,944	2,251,655
Total net position	<u>\$2,909,119</u>	<u>\$2,582,676</u>	<u>\$4,475,787</u>	<u>\$4,623,316</u>	<u>\$7,384,906</u>	<u>\$7,205,992</u>

An additional portion of the City of Eagle Lake's net position (4%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position* \$2,427,944 may be used to meet the City's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City of Eagle Lake is able to report positive balances in all three categories of net position, both for the City as a whole, as well as for its separate governmental and business-type activities.

The City's net position decreased by \$175,427 during the current fiscal year. This decrease was the result of an decrease from governmental activities of \$27,898 and a decrease of \$147,529 from business-type activities. These changes are addressed in the following pages.

Governmental activities. Governmental activities decreased the City's net position by 27,898, as reflected below in Table 2 (after transfers in). Before transfers in, net position decreased by \$245,139.

Business-type activities. Business-type activities decreased the City's net position by \$147,529 (after transfers). Before transfers, business-type activities increased the City's net position by \$69,712.

- Charges for services for business-type activities increased by more than 15%. Rate increases were implemented during the current fiscal year.

Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unreserved fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$974,589, an increase of \$75,530 from the prior year. \$859,859 of ending fund balance constitutes unreserved, undesignated fund balance, which is available for spending at the City's discretion. The remainder of fund balance is reserved or designated to indicate that it is not available for new spending because it has already been committed to debt service \$56,808 or for a variety of other restricted purposes \$57,922.

The general fund is the chief operating fund of the City of Eagle Lake. At the end of the current fiscal year, unreserved fund balance of the general fund was \$478,056, while total fund balance reached \$534,289. As a measure of the general fund's liquidity, it may be useful to compare both unreserved fund balance and total fund balance to total fund expenditures. Unreserved fund balance represents 31% of total general fund expenditures, while total fund balance represents 34% of that same amount.

The fund balance of the City of Eagle Lake's general fund increased by \$41,376 during the current fiscal year. Revenues have remained relatively constant for the last ten years. Revenues increased over the prior year. Expenditures increased over the prior year. Refunding bond monies are recorded in the General Fund until prior debt is paid off. The remaining balance, if any, will be transferred to the debt service fund to help pay the remaining debt.

The debt service fund has a total fund balance of \$56,808, all of which is reserved for the payment of debt service. The net increase in fund balance during the current year in the debt service fund was \$6,608, which was \$1,611 better than anticipated.

Proprietary funds. The City of Eagle Lake's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position for the Utility Fund at the end of the year amounted to \$1,330,817. Net position for the Utility Fund reflected an increase of \$69,712 before transfers of \$217,241. Factors concerning the finances of the Utility fund have already been addressed in the discussion of the City's business-type activities.

Capital Asset and Debt Administration

Capital assets. The City of Eagle Lake's investment in capital assets for its governmental and business-type activities as of September 30, 2015, amounts to \$6,137,934 (net of accumulated depreciation). This investment in capital assets includes land, buildings, water and sewer system, improvements, machinery and equipment, park facilities, and streets. The total decrease in the City's investment in capital assets for the current fiscal year was 2.3%. (a .8% increase for governmental activities and a 5.3% decrease for business-type activities).

Major capital asset events during the current fiscal year included the following:

Capital Assets
(net of depreciation)

Table 3

The bonds have an interest rate of 2.17% and maturity of March 1, 2023. Interest is payable semiannually on March 1 and September 1.

Additional information on the City of Eagle Lake’s long-term debt can be found in Note G on pages 36-37 of this report.

Economic Factors and Next Year’s Budget

- The unemployment rate for Colorado County is currently 4.2% (Eagle Lake is the second largest of the three incorporated cities in the county), which is an increase from a rate of 4.1% a year ago. This compares favorably to the state’s average unemployment rate of 4.5% and national average rate of 5.1%.
- Inflationary trends in the region compare favorably to national indices.
- Property tax values continue to climb in Colorado County and the region in general. Ad valorem tax revenues make up the largest component of the City’s governmental revenue (37%).
- Fuel costs have increased in all City departments, and in particular, departments which require heavy use of vehicles such as the Police Department and the Garbage Department.
- The City is not immune to the trend of rising health insurance costs in the Country.

All of these factors were considered in preparing the City’s budget for the 2016 fiscal year.

The General Fund budget for 2016 includes transfers in (from the Utility Fund) to help it meet its proposed expenditures.

Requests for Information

This financial report is designed to provide a general overview of the City of Eagle Lake’s finances for all those with an interest in the City’s finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of Eagle Lake, Texas, P.O. Box 38, Eagle Lake, Texas 77434.

CITY OF EAGLE LAKE, TEXAS

***RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2015***

Total Net Change in Fund Balances - Governmental Funds **\$ 75,530**

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital Outlay	220,325
Depreciation	(305,751)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

Deferred Tax Revenue	(4,730)
----------------------	---------

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. Also, governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.

Principal Payments on Certificates of Obligation	195,000
Principal Payments on Capitalized Leases	31,154

Recognition of the City's proportionate share of the net pension expense is not reported in governmental funds. The net effect of the current year's expense is to decrease net position. (237,578)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

Compensated Absences	<u>(1,848)</u>
----------------------	----------------

Change in Net Position of Governmental Activities **\$ (27,898)**

The accompanying notes are an integral part of the financial statements.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General Statement

The City of Eagle Lake was incorporated under the laws of the State of Texas in 1888 and operates under a Manager-Council form of government. The following services are provided by the City: public safety (police and fire), public works (streets and drainage), parks and recreation, airport and utilities (water, sewer and garbage).

The accounting and reporting policies of the City relating to the funds included in the accompanying basic financial statements conform to accounting principles generally accepted in the United States of America applicable to state and local governments. Generally accepted accounting principles for local governments include those principles prescribed by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Governmental Units and by the Financial Accounting Standards Board (when applicable). The more significant accounting policies of the City are described below.

B. Financial Reporting Entity

The City's financial statements include the accounts of all City operations. The City has determined no entities exist which meet the criteria for including organizations as component units within the City's reporting entity, as set forth in Section 2100 of GASB's Codification of Governmental Accounting and Financial Reporting Standards. Therefore, there are no component units included in this report.

C. Government-Wide and Fund Financial Statements

The government-wide financial statements (the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the City. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific program. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given program and 2) operating or capital grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

D. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide statements and fund financial statements for proprietary funds are reported using the economic resources measurement focus and the accrual basis of accounting. The economic resources measurement focus means all assets and liabilities (whether current or non-current) are included on the statement of net position and the operating statements present increases (revenues) and decreases (expenses) in net total assets. Under the accrual basis of accounting, revenues are recognized when earned, including unbilled water, sewer and garage services which are accrued. Expenses are recognized at the time a liability is incurred.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Governmental fund financial statements are reported using the current financial resources measurement focus and are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual; i.e., when they become both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The City considers revenues as available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when the related fund liability is incurred. However, debt service expenditures, except for interest payable accrued at the debt issuance date for which cash is received with the debt proceeds, as well as expenditures related to compensated absences are recorded only when payment has matured and will be payable shortly after year-end..

The revenues susceptible to accrual are property taxes, licenses, charges for service, interest income and intergovernmental revenues. Sales taxes collected and held by the state at year-end on behalf of the government are also recognized as revenue. All other governmental fund revenues are considered to be measurable and available only when cash is received by the City.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

Fund Financial Statements:

The City segregates transactions related to certain functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Separate statements are presented for governmental and proprietary activities. These statements present each major fund as a separate column on the fund financial statements; all non-major funds are aggregated and presented in a single column.

Governmental funds are those funds through which most governmental functions typically are financed. The measurement focus of governmental funds is on the sources, uses and balance of current financial resources. The City has presented the following major funds:

General Fund

The *General Fund* is the main operating fund of the City. This fund is used to account for all financial resources not accounted for in other funds. All general tax revenues and other receipts that are not restricted by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges and capital improvement costs that are not paid through other funds are paid from the General Fund.

Special Revenue Fund

The Contingency Fund is used to account for funds restricted by Council for future unforeseeable events.

Debt Service Fund

The *Debt Service Fund* is used to account for the accumulation of financial resources for the payment of principal, interest and related costs on general long-term debt paid primarily from taxes levied by the City. The fund balance of the Debt Service Fund is reserved to signify the amounts that are restricted exclusively for debt service expenditures.

Capital Project Fund

The *Capital Project Fund* is used to account for funds received and expended for purchase of improvements at the Eagle Lake regional airport.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Proprietary Funds are accounted for using the economic resources measurement focus and the accrual basis of accounting. The accounting objectives are determinations of net income, financial position and cash flow. In accounting for proprietary funds, the City has chosen, as allowed by GASB Statement No. 20, to follow all GASB pronouncements as well as all applicable Financial Accounting Standards Board (FASB) pronouncements issued on or before November 30, 1989 which do not contradict or conflict with GASB pronouncements. All assets and liabilities are included on the Statement of Net Position. The City has presented the following major proprietary funds:

Utility Fund

The *Utility Fund* is used to account for the provision of water and sewer services and garbage collection to the residents of the City. Activities of the fund include administration, operations and maintenance of the water and sewer system and billing and collection activities.

The fund also accounts for the accumulation of resources for, and the payment of, long-term debt principal and interest for the Utilities Fund debt. All costs are financed through charges to utility customers with rates reviewed regularly and adjusted if necessary to ensure integrity of the funds.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary's principal ongoing operations. Operating expenses for the proprietary fund include the cost of personal and contractual services, supplies and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

E. Budgetary Control

The City's fiscal year is the twelve-month period beginning October 1. The departments submit to the City Manager a budget of estimated expenditures for the ensuing fiscal year after which the City Manager subsequently submits a budget of estimated expenditures and revenues to the City Council by August 1.

Upon receipt of the budget estimates, the Council holds a public hearing on the proposed budget. Information about the Budget Ordinance is then published in the official newspaper of the City.

At least ten days prior to October 1, the budget is legally enacted through passage of an ordinance. The City Manager is authorized to transfer budgeted amounts between line items and departments within any fund; however any revisions that alter the total expenditures of any fund must be approved by the City Council.

Budgeted amounts are as originally adopted by the City Council, as there were no amendments made during the fiscal year.

F. Cash and Cash Equivalents

The City pools cash resources of its General and Utility funds to facilitate the management of cash. Cash applicable to a particular fund is readily identifiable. The balance in the pooled cash accounts is available to meet current operating requirements. Cash in excess of current requirements is invested in various interest-bearing deposits and disclosed as part of the City's deposits and investments.

The City considers its cash and certificates of deposits (including restricted assets), to be cash equivalents.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

G. Inventories and Prepaid Items

Proprietary Fund Inventories are valued at cost using the first-in/first/out (FIFO) method. The City had no significant inventories in the General or Special Revenue Funds. Where certain payments to vendors reflect costs applicable to future accounting periods they are recorded as prepaid items.

H. Interfund Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds". Any residual balances outstanding between the governmental activities and business-type activities are reported in the governmental-wide financial statements as "internal balances".

I. Transactions Between Funds

Legally authorized transfers are treated as interfund transfers and are included in the results of operations of both Government and Proprietary Funds.

J. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and in the fund financial statements for proprietary funds. Management determines which assets are capitalized based on the nature of the asset and its estimated useful life regardless of cost. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated assets are valued at their fair market value on the date donated. Repairs and maintenance are recorded as expenses. Renewals and betterments are capitalized. Interest has not been capitalized during the construction period on capital assets.

Depreciation has been calculated on each class of depreciable property using the straight-line method. Estimated useful lives are as follows:

<u>Assets</u>	<u>Years</u>
Buildings	20 – 50
Infrastructure	10 – 50
Machinery and equipment	5 – 20
Vehicles	5 – 15

K. Compensated Absences

Vacation time may be accumulated up to the maximum number of hours an employee earns during a twenty-four month period. Accumulated sick leave is for the sole purpose of permitting an employee to be relieved of his duties during actual illness and may not be used under any other circumstances.

L. Fund Balances – Governmental Funds

Fund balances of the governmental funds are classified as follows:

Nonspendable Fund Balance – Fund balance reported as "nonspendable" represents fund balance associated with inventory or prepaid items. The cash outlay for these types of items has already been made and, therefore, the resources represented by this fund balance classifications cannot be spent again.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Restricted Fund Balance – Fund balance reported as “restricted” represents amounts that can be spent only on the specific purposes stipulated by law or the external providers of those resources.

Committed Fund Balance – Fund balance reported as “committed” represents amounts that can be spent only for the specific purposes determined by a formal action of our City’s highest level of decision-making authority.

Assigned Fund Balance – Fund balance reported as “assigned” represents amounts intended to be used for specific purposes, but not meeting the criteria to be reported as “committed” or “restricted” fund balance. Our governing body may grant to an administrator within the organization the authority to assign fund balance.

Unassigned Fund Balance – Fund balance reported as “unassigned” represents the residual classification of fund balance and includes all spendable amounts not contained within the other classifications. These amounts are unconstrained in that they may be spent for any purpose.

When an expenditure is incurred for a purpose for which both restricted and unrestricted fund balance is available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds.

M. Net Position

Net position represents the difference between assets and liabilities. Net investment in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvements of those assets, and adding back unspent proceeds. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

II. DETAILED NOTES ON ALL FUNDS

A. Deposits and Investments

At year end, the carrying amount of the City’s deposits with financial institutions was \$2,273,612 and the bank balance was \$2,381,171. Of the bank balance, \$1,395,857 was covered by federal depository insurance. The remaining balance was covered by collateral held in the pledging financial institutions’ trust department in the City’s name.

The City’s deposits and investments consist of the following as permitted by The Public Funds Investment Act and the City of Eagle Lake’s adopted Investment Policy:

Fully insured or collateralized certificates of deposit from a bank doing business in the State of Texas and under the terms of a written depository agreement with that bank, not to exceed two years to stated maturity; and constant dollar Texas Local Government Investment Pools.

The City’s investment policy, in an effort to control credit risk, requires depositories to provide 100% of the market value of the City’s time or demand deposits as collateral.

At year end, the City’s investment balances were as follows:

	Reported Amount/ Fair Value
Tex-Pool - Investments not subject to categorization	\$ 46,493

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

The City's investment policy requires investment pools to be continuously rated no lower than AAA or AAAm by a nationally recognized rating service. Its policy also requires the pool to maintain a market value ratio of between .995 and 1.005. The City's funds in Tex-Pool have a dollar weighted average maturity of 27 days.

Tex-Pool Investments are not categorized in accordance with GASB No. 3, because they are not evidenced by securities that exist in physical or book entry form. Tex-Pool operates in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. Tex-Pool uses and amortized cost rather than market value to report net assets to compute share prices. Accordingly, the fair value of the position in Tex-Pool is the same as the value of Tex-Pool shares. Market value per share was 1.00 at September 30, 2015.

The State Comptroller of Public Accounts exercises oversight responsibility over Tex-Pool, the Texas Local Government Investment Pool. Oversight includes the ability to significantly influence operation, designation of management and accountability for fiscal matters. Additionally, the State Comptroller has established an advisory board composed of both participants in Tex-Pool and other persons who do not have a business relationship with Tex-Pool. The Advisory Board members review the investment policy and management fee structure. Finally, Tex-Pool is rated AAAm by Standard and Poors. As a requirement to maintain the rating, weekly portfolio information must be submitted to Standard and Poors, as well as the office of the Comptroller of Public Accounts for review.

B. Receivables

Receivables as of year end for the City, including the applicable allowances for uncollectible accounts, are as follows:

	Accounts	Taxes	Special Assessment	Total Receivables
Governmental activities				
General	\$ -	\$ 107,760	\$ 2,856	\$ 110,616
Sales taxes	-	45,389	-	45,389
Debt service	-	45,427	-	45,427
	-	198,576	2,856	201,432
Business-type activities				
Utilities	269,082	-	-	269,082
Gross receivables	269,082	198,576	2,856	470,514
Less: allowance for uncollectibles	(8,896)	(15,500)	-	(24,396)
Net total receivables	\$ 260,186	\$ 183,076	\$ 2,856	\$ 446,118

Governmental funds report *deferred revenue* in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of *deferred revenue* reported in the governmental funds were as follows:

	Unavailable	Unearned
Delinquent property taxes receivable (general fund)	\$ 95,760	\$ -
Delinquent property taxes receivable (debt service fund)	41,927	-
Special assessments not yet due (general fund)	2,856	-
	<u>\$ 140,543</u>	<u>\$ -</u>

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on October 1 and are payable by February 1, at which time they become delinquent. The Colorado County Central Appraisal District assesses, bills and collects property taxes for the City.

C. Capital Assets

Capital asset activity for the year ended September 30, 2015 was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Governmental activities:				
Capital assets not being depreciated:				
Land and improvements	\$ 643,044	\$ -	\$ -	\$ 643,044

Business-type activities, capital assets, net	\$ 3,143,081	\$ (167,409)	\$ -	\$ 2,975,672

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Depreciation expense was charged to functions/programs of the City as follows:

Governmental activities:	
General Government	\$ 7,583
Police	33,143
Fire	38,647
Streets	87,812
Airport	85,060
Parks	<u>53,507</u>
Total governmental activities	<u>\$ 305,752</u>
Business-type activities:	
Water	\$ 143,237
Sewer	254,582
Garbage	<u>4,599</u>
Total business-type activities	<u>\$ 402,418</u>

D. Leases

Operating Lease. For the year ended September 30, 2015, the City earned revenues as lessor of part of the City Hall Building to the United States Postal Service. The lease covers the period February 1st thru January 31st. Rent amount to be collected is \$11,220 per year thru January 2018.

The asset being leased is as follows:

Asset:	
Building Cost	
City Hall and Post Office	\$ 83,685
Less: Accumulated depreciation	<u>(83,685)</u>
Carry amount	<u>\$ -</u>

E. Payables

Payables at September 30, 2015 were as follows:

	Vendors	Court Costs	TCEQ Fine Payable	Other	Total Payables
Governmental activities:					
General	<u>\$ 8,257</u>	<u>\$ 21,428</u>	<u>\$ -</u>	<u>\$ 20,039</u>	<u>\$ 49,724</u>
Business-type activities:					
Utilities	<u>\$ 7,217</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,007</u>	<u>\$ 36,224</u>

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

F. Interfund Receivables, Payables, and Transfers

The composition of interfund balances at September 30, 2015 is as follows:

Due to/Due from:

<u>Fund</u>	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
General	\$ 419,119	\$ 20,000
Airport Special Revenue Fund	-	45,499
Utility	65,499	419,119
Totals	<u>\$ 484,618</u>	<u>\$ 484,618</u>

Transfer In/Transfer Out

<u>Fund</u>	<u>Transfer In</u>	<u>Transfer Out</u>
Debt	\$ -	\$ -
General	211,241	-
Utility	-	217,241
TDHCA HOME Program Special Revenue Fund	-	-
Contingency Special Revenue Fund	6,000	-
Totals	<u>\$ 217,241</u>	<u>\$ 217,241</u>

G. Long-term debt

Long-term debt payable at September 30, 2015 consisted of the following issues:

	<u>Total Payable</u>	<u>Current Portion</u>
Governmental activities:		
Limited Tax Refunding Bond, Series 2012, 2.17% maturing annually through 2023; interest payable semi-annually	\$ 1,465,000	\$ 215,000
	<u>\$ 1,465,000</u>	<u>\$ 215,000</u>
Total long-term obligations	<u>\$ 1,465,000</u>	<u>\$ 215,000</u>

Capital Lease Obligations

The City has a long-term capital lease with Ford Motor Credit Company to finance the acquisition of three police vehicles. The lease qualifies as a capital lease for accounting purposes and defined under the Financial Accounting Standards Board Statement No. 13, *Accounting for Leases*, and therefore has been recorded as the present value of future minimum lease payments at the date of inception of the lease. The vehicles were secured in September 2013 with an annual interest rate of 6.0% and the lease matured on September 11, 2015.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Long-term Debt Activity

Long-term debt activity for the year ended September 30, 2015 was as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Governmental activities:					
Certificates of obligation	\$ 1,660,000	\$ -	(195,000)	\$ 1,465,000	\$ 215,000
Capitalized leases	31,154	-	(31,154)	-	-
Compensated absences	18,191	1,848	-	20,039	20,039
Total governmental activities	<u>\$ 1,709,345</u>	<u>\$ 1,848</u>	<u>(226,154)</u>	<u>\$ 1,485,039</u>	<u>\$ 235,039</u>
Business-type activities:					
Compensated absences	\$ 27,429	\$ 1,578	\$ -	\$ 29,007	\$ 29,007
Total business-type activities	<u>\$ 27,429</u>	<u>\$ 1,578</u>	<u>\$ -</u>	<u>\$ 29,007</u>	<u>\$ 29,007</u>
Total government	<u>\$ 1,736,774</u>	<u>\$ 3,426</u>	<u>(226,154)</u>	<u>\$ 1,514,046</u>	<u>\$ 264,046</u>

For governmental activities, compensated absences are generally liquidated by the general fund.

The annual requirements to pay principal and interest on long-term of obligations outstanding at September 30, 2015, excluding capital leases and accrued compensation payable, are as follows:

	Governmental Activities		Business-type Activities	
	Certificates of Obligation		Certificates of Obligation	
	Principal	Interest	Principal	Interest
2016	\$ 215,000	\$ 29,458	\$ -	\$ -
2017	165,000	25,335	-	-
2018	170,000	21,700	-	-
2019	170,000	18,011	-	-
2020	180,000	14,214	-	-
2021-2023	565,000	18,499	-	-
Total government	<u>\$ 1,465,000</u>	<u>\$ 127,217</u>	<u>\$ -</u>	<u>\$ -</u>

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

H. Restricted assets

The balance of the restricted asset accounts in the enterprise funds were as follows:

	September 30, 2015	September 30, 2014
Current assets:		
Restricted cash and equivalents:		
Customer deposits - Utility Fund	\$ 120,995	\$ 119,095
Construction accounts	22,312	22,289
Capital outlay accounts	145,377	145,232
Debt service accounts	1,609	1,609
Total	<u>\$ 290,293</u>	<u>\$ 288,225</u>

I. Net Position Liability

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the Fiduciary Net Position of the Texas Municipal Retirement System (TMRS) and additions to/deductions from TMRS's Fiduciary Net Position have been determined on the same basis as they are reported by TMRS. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

IV. OTHER INFORMATION

A. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. For its liability, property and worker's compensation insurance, the City is a participant in the Texas Municipal League Intergovernmental Risk Pool (TML), a public entity risk pool operated by the Texas Municipal League for the benefit of political subdivisions of the State of Texas. The City pays an annual premium to TML for this coverage.

TML is considered a self-sustaining risk pool that will provide coverage for its members for up to \$1 million per occurrence for property damage, \$1 million per occurrence for general liability and \$1 million per occurrence for worker's compensation. TML obtains independent coverage for insured events in excess of the amount listed above. There have been no significant reductions in insurance coverage and settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

B. Contingent Liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

C. Employee Retirement Systems and Plans

Texas Municipal Retirement System (TMRS)

Plan Description

The City of Eagle Lake participates as one of 860 plans in the nontraditional, joint contributory, hybrid defined benefit pension plan administered by the Texas Municipal Retirement System (TMRS). TMRS is an agency created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (The TMRS Act) as an agent multiple-employer retirement system for municipal employees in the State of Texas. The TMRS Act places the general administration and management of the System with a six-member Board of Trustees. Although the Governor, with the advice and consent of the Senate, appoints the Board, TMRS is not fiscally dependent on the State of Texas. TMRS's defined benefit pension plan is a tax-qualified plan under Section 401 (a) of the Internal Revenue Code. TMRS issues a publicly available comprehensive annual financial report (CAFR) that can be obtained at www.tmrs.com.

All eligible employees of the City are required to participate in TMRS.

The City of Eagle Lake Volunteer Firemen are covered by a separate pension plan, therefore they are not included in the Texas Municipal Retirement System plan.

Benefits Provided

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS.

At retirement, the benefit is calculated as if the sum of the employee's contribution, with interest, and the City-financed monetary credits with interest were used to purchase an annuity. Members may choose to receive their retirement benefit in one of seven payments options. Members may also choose to receive a portion of their benefit as a Partial Lump Sum Distribution in an amount equal to 12, 24, or 36 monthly payments, which cannot exceed 75% of the member's deposits and interest.

Plan provisions for the City were as follows:

	<u>Plan Year 2014</u>	<u>Plan Year 2015</u>
Employee deposit rate	6%	6%
Matching ratio (city to employee)	2 to 1	2 to 1
Years required for vesting	10	10
Service retirement eligibility (expressed as age/years of service)	60/10,0/25	60/10,0/25
Updated Service Credit	100 % Repeating, Transfers	100 % Repeating, Transfers
Annuity Increase (to retirees)	70% of CPI Repeating	70% of CPI Repeating

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Employees covered by benefit terms.

At the December 31, 2014 valuation and measurement date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	12
Inactive employees entitled to but not yet receiving benefits	26
Active employees	<u>29</u>
	67

Contributions

The contribution rates for employees in TMRS are either 5%, 6%, or 7% of employee gross earnings, and the City matching contributions are either 100%, 150%, or 200%, both as adopted by the governing body of the City. Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial cost method. The actuarially determined rate is the estimated amount necessary to finance the cost of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

Employees for the City of Eagle Lake were required to contribute 6% of their annual gross earnings during the fiscal year. The contribution rates for the City of Eagle Lake were 6.40% and 7.26% in calendar years 2014 and 2015, respectively. The City's contributions to TMRS for the year ended September 30, 2015, were \$79,024, and were equal to the required contributions.

The required contribution rates for fiscal year 2015 were determined as part of the December 31, 2012 and 2013 actuarial valuations. Additional information as of the latest actuarial valuation, December 31, 2014, also follows:

The schedule of funding progress, presented as Required Supplementary Information following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability of benefits.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Discount Rate Sensitivity Analysis

The following schedule shows the impact of the net pension liability if the discount rate used was 1 percentage point less and 1 percentage point greater than the discount rate that was used (7%) in measuring the 2014 net pension liability.

	1% Decrease 6%	Current Discount Rate 7%	1% Decrease 8%
City's proportionate share of the net pension liability	\$ 563,613	\$ 21,840	\$ (418,455)

Pension Liabilities, Pension Expense and Deferred Outflows and Inflows of Resources Related to Pensions

At September 30, 2015, the City reported a liability of \$21,840 for its proportionate share of the TMRS's net pension liability. This liability reflects a reduction for State pension support provided to the City. The amount recognized by the City as its proportionate share of the net pension liability, the related state support and the total portion of the net pension liability that was associated with the City were as follows:

City's proportionate share of the collective net pension liability	\$ 21,840
State's proportionate share of the net pension liability associated with the City	<u>3,706,303</u>
Total	<u>\$ 3,728,143</u>

The net pension liability was measured as of September 30, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on the City's contributions to the pension plan relative to the contributions of all employees to the plan for the period October 1, 2014 through September 30, 2015.

There were no changes of assumptions or other inputs that affected measurement of the total pension liability during the measurement period.

There were no changes of benefit terms that affected measurement of the total pension liability during the measurement period.

Prior Period Adjustment

During the fiscal year 2015, the City adopted GASB Statement No. 68, Accounting and Reporting for Pensions. With GASB 68, the City must assume its proportionate share of the Net Pension Liability of the Texas Municipal Retirement System. Adoption of GASB 68 required a prior period adjustment to report the effect of GASB 68 respectively. The amount of the prior period adjustment is 354,341. The restated beginning net position is \$2,937,017.

Volunteer Firemen – Texas Statewide Emergency Services Personnel Retirement Fund

Plan Description

Substantially all of the City of Eagle Lake's Volunteer Firemen are covered by the Texas Statewide Emergency Services Personnel Retirement Fund, a cost-sharing multiple employer pension plan, established and administered by the State of Texas.

The pension plan was created by Senate Bill 411, 65th Legislature, and was revised in the 76th Legislature. The plan includes retirement benefits as well as death and disability benefits.

All fire fighters in good standing who meet certain requirements as to attendance at drills and fire are covered. Members are vested beginning with the fifth year of service, at 5% per year of service for the first ten years and 10% for each of the next five years of service.

Upon reaching age 55, a vested member may retire and receive a monthly pension equal to his vested percentage multiplied by six times the governing body's average monthly contribution over the member's years of qualified service. For years of service in excess of 15 years, this monthly benefit is increased at the rate of 7% compounded annually. Death and disability benefits are dependent on whether or not the member was engaged in the performance of duties at the time of death or disability. Death benefits include a lump-sum amount and continuing monthly payments to a member's surviving spouse and/or dependents.

The Texas Statewide Emergency Services Personnel Retirement Fund issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to Morris E. Sandefer, Commissioner, Fire Fighter's Pension Commission, P.O. Box 12577, Austin, Texas 78711-2577.

D. Analysis of Specific Deposit and Investment Risks

GASB Statement No. 40 requires a determination as to whether the City was exposed to the following specific investment risks at year end and if so, the reporting of certain related disclosures:

Credit Risk

The risk that an issuer or other counterparty to an investment will not fulfill its obligations. The ratings of securities by nationally recognized rating agencies are designed to give an indication of credit risk. At year end, the City was not exposed to credit risk.

CITY OF EAGLE LAKE, TEXAS
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015

Custodial Credit Risk

Deposits are exposed to custodial credit risk if they are not covered by depository insurance and the deposits are uncollateralized, collateralized with securities held by the pledging financial institution, or collateralized with securities held by the pledging financial institution's trust department or agent but not in the City's name.

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government or are held by either the counterparty or the counterparty's trust department or agent but not in the City's name.

At year end, the City was not exposed to custodial credit risk.

Concentration of Credit Risk

The risk of loss attributed to the magnitude of a government's investment in a single issuer. At year end, the City was not exposed to concentration of credit risk.

Interest Rate Risk

The risk that changes in interest rates will adversely affect the fair value of an investment. At year end, the City was not exposed to interest rate risk.

Foreign Currency Risk

The risk that exchange rates will adversely affect the fair value of an investment. At year end, the City was not exposed to foreign currency risk.

CITY OF EAGLE LAKE, TEXAS
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
FOR THE YEAR ENDED SEPTEMBER 30, 2015

Budget

The official budget was prepared for adoption for all Governmental Fund Types. The budget was prepared in accordance with accounting practices generally accepted in the United States of America. The following procedures are followed in establishing the budgetary data:

- a. Prior to the end of the current fiscal year, the City prepares a budget for the next succeeding fiscal year. The operating budget includes proposed expenditures and the means of financing them.
- b. A meeting of the City Council is then called for the purpose of adopting the proposed budget after ten days' public notice of the meeting has been given.
- c. Prior to the beginning of the fiscal year, the budget is legally enacted through passage of a resolution by the City Council.

Once a budget is approved, it can be amended at department and fund level only by approval of a majority of the members of the City Council. Amendments are presented to the Council at its regular meetings.

Each amendment must have Council approval. Such amendments are made before the fact, are reflected in the official minutes of the City Council and are not made after fiscal year end as required by law.

Each amendment is controlled by the budget coordinator at the revenue and expenditure function/department level. Budgeted amounts are as amended by the City Council. All budget appropriations lapse at year end.

Encumbrances for goods or purchased services are documented by purchase orders or contracts. Under Texas law, appropriations lapse at September 30, and encumbrances outstanding at that time are to be either cancelled or appropriately provided for in the subsequent year's budget. There were no end-of-year outstanding encumbrances that were provided for in the subsequent year's budget.

Defined Benefit Pension Plan

Changes of benefit terms

There were no changes of benefit terms that affected measurement of the total pension liability during the measurement period.

Changes of assumptions

There were no changes of assumptions or other inputs that affected measurement of the total pension liability during the measurement period.

Nonmajor Governmental Funds

Special Revenue Funds

Special revenue funds are used to account for specific revenues that are legally restricted to expenditures for particular purposes.

Airport Fund – This fund is used to account for the City's revenues and expenditures related to the operation of its airport.

Chapter 59 Seizures Fund – This fund is used to account for forfeitures awarded as part of Article 59.06 of the Code of Criminal Procedure and may be expended solely for law enforcement purposes.

TDHCA HOME Fund – This fund is used to account for the HOME Program's revenues and expenditures in serving the housing needs of Texans with a primary focus on rural Texas.

Capital Project Funds

Capital project funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds.

Airport Construction Fund – This fund is used to account for construction costs to rehabilitate various aspects of the municipal airport. Grant funds from the Texas Department of Transportation will fund the majority of the costs.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the City Council
City of Eagle Lake, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business – type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Eagle Lake, Texas, as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the City of Eagle Lake's basic financial statements, and have issued our report thereon dated April 20, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Eagle Lake, Texas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Eagle Lake, Texas' internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Eagle Lake, Texas' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charges with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Eagle Lake, Texas' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
