Won't you help local children this year have a great Christmas?

Collections will be taken for the Blue Santa Christmas Program. Help us by volunteering or making donations for this great cause. Drop off a new toy or donation at the Eagle Lake Police Department.

Municipal Court: Help us in welcoming the new Municipal Court Clerk Laura Maldonado. Mrs. Maldonado joins the City Team with prior criminal and civil court experience. Laura previously worked in the Justice of the Peace, Precinct 4 Office.

Tennis & Pickleball Courts: We are excited to share that the Joe S. Reed Tennis Courts located on Golf Course Road have been resurfaced and striped. The tennis courts have been striped to include two (2) regulation tennis courts and two (2) pickleball courts. **"IT'S KIND OF A BIG DILL"**

Municipal Park/Veterans Memorial Park: Come out and join us as we honor our Veterans! The City of Eagle Lake will be holding a park dedication ceremony on Saturday, November 11, 2023 at 4:00 p.m. The former Eagle Lake Municipal Park will be renamed to Veterans Memorial Park. Special recognition for ALL VETERANS IN ATTENDANCE.

Fitness Court: A \$40,000 National Grant was secured through the National Fitness Campaign (NFC) to participate in their nationwide initiative to install and activate an outdoor Fitness Court® and a local healthy living campaign. The campaign, sponsored by Blue Cross and Blue Shield of Texas, is part of a national movement to make world-class fitness free and accessible in public spaces across the country. With the grant funding, the City of Eagle Lake started the first phase of the construction at the Municipal Park. This outdoor gym will provide FREE healthy opportunities. An official grand opening of the court will be scheduled for a future date.

Trash Pickup on Wednesday for everyone: Please have your garbage carts set out by 7:00 a.m. every Wednesday. If you have bulky items such as a dresser, chair, etc. that will not fit in a cart, you can put these items out by your blue carts so GFL can pick those items up with a grapple truck on Thursday. This truck has an arm that an operator can use to grab and pick up bulky items. Please pile your limbs beside the street, not under a tree or power line, so the grapple truck can pick them up safely. Brush/limbs/clean fence boards must be bundled in 4 feet lengths.

AMI Water Meters/Account Access: **Did you know the EYE ON WATER App is FREE?** You now have online account access to your water usage information. You can see your water usage and set leak alerts, so you'll be notified in case of a leak. This can save you time and money, so what's not to love. Download from Google play or the App Store today. Details can be found here:
