

Veterans Memorial Park

Spend your day playing nine holes of golf, playing tennis on the lighted tennis courts, or just enjoying a nice leisurely lunch at the Joe Reed Recreation Center picnic tables. Across the street, you can cool off in the swimming pool, relax under the gazebo, and watch the kids play on the playground. There is something for everyone at the Veterans Memorial Park.

The Park is also the entrance to the wildlife area/boardwalk which has a beautiful nature Walk to the viewing platform overlooking the lake.
