DROP-OFF EVENT

Liberty Tire Recycling Welcomes Your Used Tires!

Liberty Tire Recycling is the premier provider of tire recycling services in North America. Our recycling efforts keep 190 million tires out of landfills, contributing to the well-being of our communities, and the long-term health of our planet. Your old tires are turned into useful recycled rubber products such as crumb rubber for highways and athletic fields; alternative fuel sources for manufacturing; and rubber mulch, pavers and edging for landscaping and playgrounds.
